

Md. Saiful Islam

SOFTWARE QUALITY ASSURANCE ENGINEER

Summary

I recently earned a Bachelor of Science in Computer Science Engineering (CSE) and I'm ready to start as a Software Quality Assurance (SQA) Engineer. I have a strong foundation in problem-solving and UX/UI design. I am skilled in developing test plans, designing test cases, and documenting bugs. Additionally, I am familiar with Agile, Scrum, and a range of testing tools. I look forward to learning and collaborating with the team.

Education

BSC in Computer Science Engineering

City University Oct 2019 - Oct 2023

CGPA: 3.58

Higher Secondary Certificate

Haimchar Govt College May 2017 - Jun 2019

GPA : 4.00

Secondary School Certificate

Gandamara High School

GPA: 4.39

Certification

SQA: Manual & Automated Testing

Ostad Mar 2024 - Sep 2024

Project

Automation Testing Ecommarce ([saucedemo.com](https://github.com/Saiful-cu/Automation-Testing-saucedemo.com))
