

Md. Saiful Islam

SOFTWARE QUALITY ASSURANCE ENGINEER

Summary

I earned a Bachelor of Science in Computer Science Engineering (CSE) and I have proper knowledge to start career as a Software Quality Assurance (SQA) Engineer. I gain experience as QA Automation engineer from A1qa. I also have a strong foundation in problem-solving and UX/UI design. I am skilled in developing test plans, designing test cases, automation testing Selenium webdriverIO and documenting bugs. Additionally, I am familiar with Agile, Scrum, and a range of testing tools. I look forward to learning and collaborating with the team.
